

CHABAD OF THE SHORE

PROGRAM GUIDE

SUMMER 2019

Dear Friend,

As Summer 2019 approaches, we are delighted to present you with a comprehensive guide of our educational classes, guest lectures, community Shabbat dinners, feature films and family programs.

A community which is educated and involved in its heritage is a community that is growing and full of vitality and endurance. The unbroken chain of Judaism that spans the ages is forged in the words of the Torah. Each of us can create our own personal link in the chain, so that we, our children and grandchildren inherit the richness and beauty of Judaism. All our programs, classes, lectures and Shabbat dinners promise to intrigue, stimulate and enhance your spiritual growth.

In keeping with the teachings of the Lubavitcher Rebbe, one is not required to become a 'member' to participate in any of our programs. Indeed, we welcome people from all walks of life and all ages *regardless of background or affiliation* - with open arms and an open heart - as we seek to make our center your friendly *home away from home*.

As we are in the process of construction for the new Chabad Center for Jewish Life and Learning, all programs and activities will continue at our spacious temporary space at 9 West End Court, Long Branch.

There is something here for everyone and we look forward to seeing you and your family soon!

Wishing you and yours a meaningful and safe summer!

Sincerely,

Rabbi Laibel and Chani Schapiro

DENIAL

**The whole world knows the
Holocaust happened.
Now she needs to prove it.**

BASED ON A TRUE STORY

Based on the acclaimed book *Denial: Holocaust History on Trial*, *DENIAL* recounts Deborah E. Lipstadt's (Academy Award® winner Rachel Weisz) legal battle for historical truth against David Irving (BAFTA nominee Timothy Spall), who accused her of libel when she declared him a Holocaust denier. In the English legal system, in cases of libel, the burden of proof is on the defendant, therefore it was up to Lipstadt and her legal team, led by Richard Rampton (Academy Award® nominee Tom Wilkinson), to prove the essential truth that the Holocaust occurred.

DENIAL is directed by Emmy Award® winner Mick Jackson ("Temple Grandin") and adapted for the screen by BAFTA and Academy Award® nominated writer David Hare (*The Reader*). Producers are Gary Foster and Russ Krasnoff.

WRESTLING

with Faith

Most people, even the devout, struggle with beliefs about G-d. It is easy, for example, to affirm the basic tenets of Judaism during a prayer service, but when it comes to trusting G-d with our daily decisions, many share a secret, painful fear that G-d isn't really looking out for them. Wrestling with Faith was created to tackle questions that may keep people from an intimate relationship with G-d. The course acknowledges the often unspoken doubts and fears that all people share, and seizes their invitation for us to dig deeper for the answers.

THE JEWISH COURSE OF WHY

Judaism is known for its rational basis, as a place where questions are freely asked and ideas are freely debated. It is that spirit of questioning and discovery that you will encounter in *The Jewish Course of Why*.

The topics of this course span a diverse range, from fun, light, and off-the-beaten-track questions, to more complex and controversial issues.
